

Capabilities Statement

Bluejacket is a verified service-disabled, veteran-owned – small business (SDVOSB) founded by a United States Navy veteran. Our partnership with leading manufacturers and service providers allows us to provide quality products and services at a fair price to a wide range of Government agencies. We are honored to be a part of the SDVOSB program, and we take pride in knowing our products and services are helping change lives in a positive way. Bluejackets’ team continues to change and adapt to our customer’s needs quickly.
